|                                                 |                                 |
|-------------------------------------------------|---------------------------------|
| <b>Typ</b>                                      | Magnetron                       |
| <b>OEM Item Number</b>                          | MB2658A-170FZ                   |
| <b>Output Power CW [W]</b>                      | 1500                            |
| <b>Frequency [MHz]</b>                          | 2450                            |
| <b>ISM Band</b>                                 | S-Band                          |
| <b>Cooling</b>                                  | water-cooled                    |
| <b>Orientation of HV and cooling connectors</b> | 90°                             |
| <b>Fastening / Studs</b>                        | 4 x Through-hole 5,8 (no studs) |
| <b>Orientation HV to fastening</b>              | 0°                              |
| <b>Magnet</b>                                   | Packaged magnet                 |
| <b>Cooling Connector Type</b>                   | Hose Nipple Ø9 mm               |
| <b>Temperature sensor</b>                       | 80 °C (176 °F)                  |
| <b>Equivalent to</b>                            | DX582A                          |
| <b>Used in</b>                                  | ASTeX 1.5 kW (e.g. AX-2115)     |
